

Chur September 2019

Letter of recommendation

To whom it may concern

Mrs. Elena Ruleva, 12-2-131 Osenny blvd, Moscow, Russia 121614, has acted as simultaneous, two-way English-Russian interpreter in two business meetings 2019 with our Russian supplier. The interpretation services were performed extempore during roughly 5 hours each meeting and were between me and the Russian team. We discussed medical-technical aspects of our business as well as commercial topics.

Mrs. Ruleva translated our conversations and negotiations immediately and without delay. I could gather from the context that Mrs. Ruleva took great care to not include her view but to accurately translate what each party was saying.

Thanks to the services rendered by Mrs. Ruleva, we could greatly and quickly advance our collaboration with our Russian partner to mutual benefit.

I can highly recommend Mrs. Ruleva and will certainly hire her again.
